Re: Grant No. 2998

Dear Dr. Strand:

The Scientific Director and CTR's staff have discussed your request for partial support of the Summer Neuropeptide Conference to be held in Cape Cod, MA August 18-21, 1991.

The program contains many topics of interest to The Council, and the list of speakers ensures that the quality of the meeting will be high. I therefore am pleased to tell you that we will make a contribution of $2,000.00 (the maximum amount we allocate for the support of a meeting) to help defray the costs of the conference. A check for that amount is enclosed with this letter. It would assist in our record-keeping if we could have a short written acknowledgement of the contribution.

We request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector.

Sincerely,

Harmon C. McAllister
